

York Region Environmental Champion 2018

ClimateWise Business Network is a local network of businesses and organizations operating in York Region who are setting and achieving their sustainability goals. Every year, ClimateWise holds an Evening of Recognition to highlight our members' successes.

Do you know an individual within an organization in York Region who deserves recognition for their environmental initiatives? **Nominate an Environmental Champion today!**

Eligibility Guidelines

- Nominee should be an individual working for or with a registered business or non-profit
- The organization should be located within York Region
- Nominee will have completed or have an environmental initiative in progress

Nomination Process

Please **submit all nominations by May 4, 2018** (nomination period open first week in April). Note that you are able to nominate more than one organization for the award.

Email a copy of the completed form to ksathananthan@windfallcentre.ca with the subject title as "*Evening of Recognition Nomination*".

Selection Process

All nomination forms received will be evaluated by ClimateWise Business Network staff. All nominees will receive two complimentary tickets to the Evening of Recognition. The winner will be selected based on the success and impact of the nominee's environmental initiative.

Presentation

The award will be presented on Thursday, May 31, 2018 at the ClimateWise Evening of Recognition. If the award recipient cannot attend the Evening of Recognition they are recommended to send someone to accept the award on their behalf.
